

RoadWatch – Updated 10/8/2025

Three Oaks Parkway Extension Project Phase 2 from Indian Paint Lane to and including Daniels Parkway:

This project consists of extending Three Oaks Parkway north in the vicinity of Indian Paint Lane to Daniels Parkway and constructs 4 lanes with a 5-foot-wide bicycle lane. Phase 2 includes 6-foot-wide sidewalks on both sides of the roadway. The project also includes the widening of Daniels Parkway to eight lanes from Danport Boulevard to west of Powers Court/Apaloosa Lane.

- The median opening at Cody Lee Lane/9300 Daniels Parkway at Fiddlesticks Boulevard is closed permanently.
- The median opening at Jobe Road/Kings Crossing Road at Palomino Lane is closed permanently
- Daniels Parkway lanes are shifted to the outside of the roadway from Danport Boulevard to Powers Court/Apaloosa Lane for construction of new inside travel lanes. The traffic lane widths and the speed limit are reduced to 35 mph. Bike lanes are temporarily eliminated, and bicyclists are detoured to the adjacent multi-use paths. This configuration will remain in place for approximately one year while the inside lanes are under construction.
- The contractor is building the new roadway extension in the vicinity of Indian Paint Lane and adjacent to Fiddlesticks Boulevard to Daniels Parkway.

Motorists are asked to drive with caution and watch for workers and construction vehicles entering and leaving the work zone.

Estimated completion is mid-2028. Project cost is approximately \$39.7 M. The contractor is ECH Construction. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.
