

**Three Oaks Parkway Extension / Daniels Parkway Improvements Project
March 2026 Update**

**Palomino Lane closed from Jobe Road / Kings Crossing Road to Daniels Parkway
for utility and roadway reconstruction now begins April 6**

Phase 2 of this project consists of extending Three Oaks Parkway north in the vicinity of Indian Paint Lane to Daniels Parkway and constructs four lanes with a 5-foot-wide bicycle lane. Daniels Parkway is widened to four lanes in each direction and a new signal will be installed at Powers Court / Apaloosa Lane.

- ***In response to community requests to begin work after the Easter holiday, the temporary closure will now begin on Monday, April 6. Palomino Lane will be closed from Jobe Road / Kings Crossing Road to Daniels Parkway and will remain closed for about six weeks.*** This is necessary for the installation of a new drainage pipe and water main under the road, followed by roadway reconstruction.
- A traffic detour will be routed from Kings Crossing Road to Skyport Avenue to Mall Loop Road to Danport Boulevard.
- The median barriers will be removed on Palomino Lane so Kings Crossing Road and Jobe Road will be both provide a through movement and be able to access northbound Palomino Lane.
- In addition, the Frontage Road east of Apaloosa Lane will have a right turn lane to westbound Daniels Parkway via a temporary merge lane for westbound traffic. This allows Palomino traffic destined for westbound Daniels to use the frontage road that connects to Jobe Road to Daniels to safely make right turns onto Daniels Parkway under nearly free flow conditions.

Southbound Palomino Lane will be reconstructed to include two left-turn lanes, one through lane and an exclusive right-turn lane for access to Daniels Parkway.

Please drive with caution and watch for workers in these areas.

Estimated completion is mid-2028. Project cost is approximately \$39.7 million. The contractor is EHC Construction. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.

THREE OAKS PARKWAY EXTENSION PHASE 2

from Indian Paint Lane to Daniels Parkway

ROAD CLOSURE

Three Oaks Parkway Extension Project - Daniels 9300 Access Road at Fiddlesticks Boulevard closing for Six Weeks beginning Wednesday, March 25, 2026

As part of the Three Oaks Parkway Extension Project, Daniels 9300 Access Road at Fiddlesticks Boulevard will be closed for approximately six weeks starting on Wednesday, March 25, 2026. This closure is for construction of the new northbound lanes for the Three Oaks Parkway Extension. During this closure, access to the businesses along the Daniels 9300 Access Road will be available at the signal at Indian Paint Lane and Daniels Parkway.

Motorists should drive with caution and watch for crews and construction vehicles entering and exiting the work zone. **Estimated project completion is mid-2028.** Project cost is approximately \$39.7 M. The contractor is EHC Construction. For further questions, please visit www.ThreeOaksExtension.com or contact Kris Cella by email at Kcella@cella.cc or by phone at (239) 337-1071.
